## Donation Form

I would like to support the **Hartford Building Fund**

The Building Fund will support the development of additional classrooms, mentor rooms, a resource learning hub, a science lab, an art room and a tech room. This will ensure Hartford College continues to offer state-of-the-art facilities and infrastructure for limitless learning.

I would like to support the **Hartford Scholarship Fund**

Hartford College offers scholarships to students who demonstrate excellent academic and personal potential, and for those who are facing financial hardship. The scholarships help in supporting their education. Your donation to the Scholarship Fund will help the school provide opportunities to deserving students who may not otherwise be able to attend.

I would like to support the **Hartford Library Fund**

The school is currently seeking donations to acquire important texts for current and future students, with a focus on core great books of Western civilisation and foundational texts in various subjects. The library fund also works to maintain and develop the library facilities, in addition to developing its online and physical collections for the benefit of staff and students.
