

Photo above: His Grace, Archbishop Anthony Fisher OP, officially blesses and opens Hartford College.

I look to Hartford College to produce the saints Sydney needs in this 21st century."

The Most Rev Anthony Fisher OP
Archbishop of Sydney

"We love the philosophy, culture and approach of the school. The teachers and mentors take special care to develop my son's individual needs. We also appreciate the various extracurricular activities provided at Hartford, which enhance my son's educational experience."

Nathan
Father of Hartford Student.

"Hartford has been great for my son. He is a bright student, and the mentoring program has further enhanced his potential."

Marius
Father of Hartford Student.

"Our son is happy with the school environment, has matured and become more organised, and greatly enjoys spending time with his new friends. He has also become more responsible and has developed an enthusiasm for learning..."

Paula
Mother of Hartford Student.

Professor Renée Köhler-Ryan
Head of School of Philosophy and Theology,
University of Notre Dame

I am genuinely interested in Hartford College as a place in which real and high-quality investment is made in the pastoral, mental and physical development of Australian boys, and I sincerely believe it is needed. It is beyond important that every effort is made to nurture the men of tomorrow, for their sakes and the very future of our cherished freedoms in this land of opportunity."

Hon John Anderson AO FTSE
Chair of the Crawford Fund,
Former Deputy Prime Minister of Australia

The Hartford College initiative is an exciting example of parental collaboration and commitment to educational excellence. I wish Hartford College every success."

Dr Tim Hawkes OAM
Educator, Author & Leadership Consultant

Library Fund

Hartford College is Australia's first Catholic high school in the liberal arts tradition. It has an engaging and rich curriculum, destined to impart well-rounded knowledge across multiple disciplines and develop critical and independent thinking skills.

Despite the growing online availability of educational resources, libraries still play a critical role in making reliable information accessible and relevant in real time.

Donations towards acquisitions enable Hartford to purchase important texts for our current students and future generations of students.

Our current acquisition goal are the core great books of the Western civilization canon, as well as foundational texts in the field of English literature, languages, philosophy, religion, ancient and modern history, maths, science and more.

Further building the library is also part of our vital work to ensure the careful stewardship of our online and physical collections, for the benefit of our staff and students.

If you would like further information about the Hartford College Library Fund, or have a private collection that you would like to donate, please contact us on (02) 9184 8840 or info@hartfordcollege.nsw.edu.au

Thank you for considering a gift to Hartford College's Library Fund.

Building Fund

Hartford College is a new ambitious school, with a vision for growth. Drawing from the greatest educational traditions, complete with libraries, dedicated spaces for arts and sciences, humanities and religion, music and sports, our vision for Hartford is one with the finest facilities to promote personal and academic growth.

Your generous contribution to the Hartford College Building Fund will assist us in continuing to provide high-quality refurbishments to the College's current amenities, and allow us to extend our existing facilities to a brand new building, including a library and chapel.

Several refurbishment projects have already reached completion, including three classrooms and staff areas. We are now in the next stage of our College's growth, building a science lab, an art room and tech room.

Your donation will go towards ensuring that our students thrive in a learning environment that is surrounded by state-of-the-art facilities and infrastructure, optimal for limitless learning.

If you would like further information about the Hartford College Building Fund or specific building projects currently underway, please contact us on (02) 9184 8840 or info@hartfordcollege.nsw.edu.au.

Thank you for considering a gift to Hartford's Building Fund.

Scholarship Fund

A scholarship or bursary is a grant awarded to support a Hartford boy's education, awarded on the basis of academic merit or financial hardship.

Hartford College currently offers scholarships to students who demonstrate excellent academic and personal potential to make a significant contribution to the life of the College.

Your generous gift will help Hartford College fund future scholarships for deserving boys who may not otherwise be able to attend Hartford due to their family's financial circumstances.

If you would like further information about the Hartford College Scholarship Fund, or you know a young boy who you believe would benefit from this opportunity, please contact us on (02) 9184 8840 or info@hartfordcollege.nsw.edu.au.

Thank you for helping our future generation of Hartford leaders.
